RE: MTC TIP Amendment 2003-19

Dear Mr. Nicholas:

I am writing to notify you of several changes MTC recently made to the 2003 Transportation Improvement Program (TIP) with Administrative Amendment number 03-19. The amendment swapped CMAQ and STP funds programmed to several projects throughout the region with TEA funds in an effort to reconcile TEA 21 programming to apportionment levels.

The changes do not change the original scope of the projects and are within the criteria for changes that may be made administratively. These revisions also do not affect air quality conformity or financial constraint requirements of the TIP.

The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/publications/tip/proposed.htm>

They will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 464-7717.

Sincerely,

Therese W. McMillan
Deputy Director, Policy
